Call for Exhibition & Sponsorship

Welcome

Mission

The Society for Free Radical Research Europe (SFRR-E) operates as non-profit making scientific society. The aims and objectives of the society are to advance education and research in free radical processes related to medicine, nutrition and food sciences with particular reference to those topics of industrial and medical importance, for the benefit of the public. This is the first SFRR-E meeting in Central and Eastern- Europe. We would like to transmit an important scientific message to the public, therefore we aim to have wide coverage by the media.

Sponsorship and Exhibition information

The society extensive global network of life scientists in academia, business and government is being targeted to generate a highly qualified audience from the health, medicine, sport and other life-science communities. Sponsorship provides an excellent opportunity to “get your company’s name out” to a scientific network of representatives and a prime opportunity to make impressions on decision makers.

Use your presence to:

- launch new products and highlight existing ones
- spotlight key executives
- elevate your company profile in the nutrition, food, biology and medicine community
- network with specialists, seek international partners and form new alliances
- increase visibility in focused markets
- give maximum exposure for your company and increase brand awareness
- position your organisation
- communicate your message to a highly qualified scientific community
- build relationships for the future
- attract new talent and strengthen partnerships
- generate sales leads and educate the market
- sell directly to international buyers

Topics:

- Ischemia/reperfusion
- Aging
- Exercise
- Hydrogen sulfide and nitrogen oxide the gases with great biological potential
- Resveratrol and sirtuins: how they are the linked?
- Radiation, ROS and hormesis
- ROS and cancer
- The relevance of antioxidant supplementation on human health
- Oxidative stress and neurodegenerative diseases
- The role of free radicals in epigenetics

Congress Venue and Contact Information

Danubius Thermal Hotel Helia

Budapest
Kárpát st. 62-64.
H-1133

The venue of the workshop will be the Danubius Hotel Helia which is situated on the Danube river bank within 15 minutes walk from the Parliament Building in Budapest and the main business and historic center of the Hungarian capital. Rooms will be offered in the hotel to workshop participants at a special rate.

The four-star Danubius Thermal & Conference Hotel Helia spa, wellness and conference hotel, built in Scandinavian style, was opened in 1990 and partially renovated in 2003. Natural thermal water is pumped to the hotel spa from springs on the nearby Margaret Island, which is famous in Budapest for its high quality medical and relaxation services. The hotel is especially suited for conferences and is also well equipped for business travellers.

The building is situated at the beautiful river, the Danube. You have an impressive view from the conference floor to other parts of Budapest.

Exhibition booths will be located in the vicinity of lecture halls in the lobby of the main lecture hall, together with the coffee break area, close to the poster session.

We offer a wide range of sponsorship packages as well as supplementary options to achieve the biggest exposure to your company. We are convinced that this event presents an excellent option to exhibit your technology and services to a large number of counterparts and, further, to become a sponsor of this event to make it more attractive.
