

Scaling up ECD and Enhancing quality: Experiences from other regions

**Self organized symposium - 9th. ISSA Conference
9-12 October, 2008 Budapest**

Nurper Ulkuer, UNICEF NY

**What do we mean with
scaling up?**

All children especially
the most at risk..

What is needed for Scaling Up?

- **Decision**
 - What do we want to scale up?
 - Whom do we want to cover?
- **Conditions** –
 - Funding
 - Capability
 - Capacity
- **Match maker** – Intermediary institutions?
 - What is their role?
 - Who are they?
 - Do they exist in the country? Or does it have to be created?

Who is accountable?

- **Who scales up?**
 - Government?
 - NGO?
- **What are the accountabilities of stakeholders?**
 - Parents/caregivers
 - Communities (leaders and grass root organizations)
 - Service providers (teachers, doctors, nurses, social workers..)
 - Decision Makers
 - Politicians
 - NGOs?
 - International Organizations – Donors?
