

What is a good paper review from the perspective of an editor?

Thomas Steger
(University of Regensburg)

AIB-CEE Chapter Conference, Budapest, 9-11 October 2014

Why peer-reviews?

- Quality improvement
- 4- /6- /8 - eyes principle
- Objectivity vs. subjectivity
(issue-orientation instead of personal-orientation)
- Self determination

10 wishes of an editor...

1. Be blind and independent!
2. Be polite and friendly!
3. Be constructive and supportive!
4. Be generous and open to innovation!
5. Be focused!
6. Be precisely!
7. Be structured!
8. Be aware of the journal's mission / policy!
9. Be flexible (regarding the editor's decision)!
10. Be in time!
