Aim & Scope

- EBER, as multi-disciplinary and multi-contextual journal, is dedicated to serve as a broad and unified platform for revealing and spreading economics and management research focused on entrepreneurship, individual entrepreneurs as well as particular entrepreneurial aspects of business. It attempts to link theory and practice in different sections of **economics** and **management** by publishing various types of articles, including **research papers**, **conceptual papers** and **literature reviews**.

Focus & Scope

- **Entrepreneurship and Human Capital**
- **Management and Business Studies**
- **International Business and Int'l Economics**
- **Applied Economics and Statistics**
- **Public Policies and Business Education**
