FEBS Advanced Lecture Course: 6th Danube Conference on Epigenetics

19-22 October 2026

Research Center of Natural Sciences, Budapest, Hungary

Invitation

We are delighted to announce the upcoming **FEBS Advanced Lecture Course: Danube Conference on Epigenetics**, scheduled to take place from **October 19-22, 2026**, in the beautiful city of **Budapest, Hungary**. Building on the success of previous Danube Epigenetic meetings, we are thrilled to welcome you once again to Budapest.

The conference is organized by a distinguished team, including Ferenc Müller (University of Birmingham, Birmingham, UK; HUN-REN Research Centre for Natural Sciences, Institute of Life Sciences, Budapest, Hungary), Lóránt Székvölgyi (University of Debrecen, Debrecen, Hungary), Petra Hajkova (MRC London Institute of Medical Sciences, London, UK), Celia Martinez-Jimenez (Helmholtz Pioneer Campus, Munich, Germany) and J. Andrew Pospisilik (Van Andel Research Institute, MI, USA).

Our primary goal is to foster collaboration among scientists in the fields of epigenetics, promoting intensive interdisciplinary interactions through this medium-sized meeting. The conference program is strategically designed to offer numerous networking opportunities. With an anticipated attendance of 150 participants, including over 20 distinguished invited lecturers, we are dedicated to providing a platform for scientific exchange and collaboration. We encourage participation through the submission of abstracts, from which short talks will be selected for presentation.

We sincerely hope that you will find this invitation compelling and that you will support our conference.

Wishing you the very best,

Ferenc Müller and Lóránt Székvölgyi
On behalf of the Organizing Committee
